

Solutions for You

ASIEQ Workshop Series with Bruce Thomas Lawyers

“Getting expert with the experts”

This will be an interactive workshop designed to discuss techniques in order to maximise the use of expert opinions when assessing and managing claims.

The focus will be on the types of questions that should be asked of medical experts during the statutory claim. We will focus on the practical application of legal theory discussed in past ASIEQ seminars and how to best implement that legal theory when briefing experts.

Specific focus will be on:

- Accepting and ceasing claims;
- The types questions that should be asked of experts;
- Questions when determining a section 32 *“injury”*;
- Questions when determining whether a claim can be ceased pursuant to sections 144A and 144B.

We will again be limiting the session to 15 attendees, but if there is sufficient demand, we will run a second session.

The session is booked for 1 ½ hours, starting from **7.30am on 2 June**. Please let us know if you would like to attend as places are limited. A light breakfast will be provided.

Confirmation can be sent to our marketing manager, Alex Cox-Taylor at act@btlawyers.com.au.

We look forward to seeing you again on **2 June 2011**.
