

# Health Benefits of Good Work

ASIEQ Forum Update  
11 May 2016

- Revised Operating rhythm implemented.
- Purpose and Charter being finalised.
- The purpose of the SSG is to further champion the integration of the HBGW policy agenda in the industry sector; we are delivering this through targeted subcommittee and initiatives.;

# Health Benefits of Good Work

ASIEQ Forum Update  
11 May 2016

- SSG meeting with Dame Carol Black in March 2016; highlevel insights;
  - Coverage of initiatives in UK promoted the HBGW; Obesity and work; Fit for Work Services (extension of our current behaviour drive around the Work Capacity Certificates).
  - Driving behavioural change in Australia – ROI; Language; “Economic Case”
  - Sharing learnings and initiatives across the signatory base to keep momentum.
- The next HBGW forum being held on 24 May 2016; 8.30am – 1.30pm in Melbourne. Invite to be circulated to all members today through the executive. Cost of attendance is Free; limited spaces so RSVP is required.
- Sue Richardson continues to be our representative on the SSG, and we are required to **identify a delegate** to ensure continuity. No response from previous forum; therefore if any member is interested in being our delegate, please provide your Expression of Interest to Sue Richardson by end of the week.
- Any members will to share their companies initiatives in HBGW to contact Sue Richardson directly to start the conversation and linkage with the wider SSG.
