The rules

- You can only commit files between the 1st and 8th of each month
- You can test files at any time during the month, as many times as you like
- Only users with data load permissions will be able to see this screen
- Only successful loads can be committed
- Any data load with a record or control file error will display as a fail
- You will be able to see the validation report for the last data committed to the system and any subsequent tests.

The rollout

- Go live date early 2016
- Pilot of 3 – 4 insurers
- Documentation will be provided regarding FAQs
- Insurers uncomfortable with new process can still send their data to WCR for testing
- Hoping to have all insurers on the new system by July 2016

Any problems, queries or concerns...

- Got errors or issues with the files / data load process
 - Call or email the data team as you normally would
- Can't get access or can't see something you think you should have access to
 - Contact your insurer advisor. The Insurer Services Team will undertake all of the user management and can grant access to members in your team who need it
