

2024 Queensland Self Insurer Awards

ASIEQ will be holding the inaugural Queensland Self Insurer Awards as part of the 2024 Conference. Self Insurance is a niche sector and there are few opportunities to recognise our hard working team members. ASIEQ encourage you to nominate your star team members so our Industry can recognise their outstanding performance.

Award Categories

“Rising Star Award” - For team members with less than 5 years’ experience in the Workers’ Compensation Scheme in Queensland – an opportunity for self insurers to recognise their star performer.

“Spirit Award” - This Award is for the person who puts in the extra effort within the self insurance team environment, who has made a significant contribution to team culture, inclusion, mental health support and morale. This can include administration team members or any other roles within your organisation that work within self insurance.

“Outstanding Achievement - Claims Specialist” - This Award is for the Claim Specialist who has excelled in their role (this includes achieving exceptional outcomes, consistent amazing feedback and/or may be based on a depersonalised example of excellent claims management).

“Outstanding Achievement – Claims Manager” - This Award is for the manager who has excelled in their role, inspiring and developing claims team members.

“Outstanding Achievement – Rehabilitation” - This Award is for outstanding achievement by internal, employer-based staff providing rehabilitation/injury management. This can be a Rehabilitation Co-ordinator or Manager.
