

ASSOCIATION OF SELF INSURED EMPLOYERS OF QUEENSLAND

PARTNERSHIP PROSPECTUS

**GAINING MOMENTUM
AND LEADING THE WAY**

**10 & 11 JUNE 2024
SOFITEL BRISBANE CENTRAL**

2024 CONFERENCE

INVITATION

The Association of Self Insured Employers of Queensland (ASIEQ) will be holding a two day conference on 10 and 11 June 2024 at the magnificent Sofitel Brisbane Central. This event will build on the successful 2022 Conference which focused on the need for those in Self Insurance to “Pivot” in order for them to “Progress” and navigate their way through the Covid pandemic, rapid changes occurring across industries and shifting community expectations.

In the past two years, we have come a long way. New baselines have been established, systems forced to change rapidly have now become routine and a sense of normality has returned. While many may feel change fatigue, this brings the risk of becoming complacent in an era of innovation and advancement, if we are not looking to the future and seizing opportunities.

ASIEQ want to encourage and inspire you to look to the future with passion and excitement. Now is the time to **gain momentum** as we continue to build on the acceptance for change and doing things differently. We will focus on innovation, creativity and well-being, bringing together those who are **leading the way** - aiming to both challenge and inspire.

The highly anticipated biennial conference is an opportunity to network with those in the self insurance field, wider workers' compensation and rehabilitation industry, workplace health and safety and government.

Join us to mingle, laugh and learn - focusing on strategies supporting us in **Gaining Momentum and Leading the Way.**
